8. *Mr. Haggerty*—Enquiry of the Ministry—What is the total amount of hydro electricity in kilowatts by contract that was exported to the United States (ex-New York State) from Ontario Hydro generating stations for the years—1964, 1965, 1966, 1967, 1968, 1969, 1970, 1971, 1972, 1973, 1974. 17. *Mr. Cassidy*—Enquiry of the Ministry—Is it the policy of the Ministry to defer consideration of bilingual motor vehicle registration and application forms for five years. If so, why. If not, can the Minister of Transportation and Communications explain why he wrote the following in a letter to the City of Ottawa: "All forms were designed

# NOTICE PAPER

## PRIVATE MEMBERS' NOTICES OF MOTION

3. *Mr. Parrott/Mr. Breithaupt/Mr. Lawlor*—Resolution—That Mr. Speaker take the necessary steps to establish a privately funded, independent programme of parliamentary internships similar to that of the House of Commons of Canada.

## QUESTIONS

1. *Mr. Reid*—Enquiry of the Ministry—Will the Premier provide a list of employees in his office, their titles, job descriptions and function, the gross salary paid to them, and could he advise how many earn a salary of over \$20,000 per year.
2. *Mr. Reid*—Enquiry of the Ministry—Would each Ministry provide the number of people employed by that Ministry on a contract basis, the gross salaries paid to these people, the length of time the contract is for, and the job descriptions of their contracts.
3. *Mr. Roy*—Enquiry of the Ministry—Could a list be provided of all land purchased by the Ontario Housing Corporation since 1968. When was the land purchased. Who was the vendor. What was the purchase price paid.
4. *Mr. Roy*—Enquiry of the Ministry—What are the Ontario Government's total expenditures for the production of Government publications, reviews, annual reports, etc. What percentage of these publications are printed by the Queen's Printer or the Government printing services and what percentage by independent printers. What are the names of these independent printers and the amounts paid to each for the years 1973 and 1974.
7. *Mr. Cassidy*—Enquiry of the Ministry—When does the Ministry of Transportation and Communication intend to introduce bilingual motor vehicle permits and when does it intend to make form JL-20, the application form for motor vehicle permits, bilingual. What action does the Ministry plan to take against Franco-Ontarians who are refusing to renew their motor vehicle registration for 1975 until they are assured that bilingual forms will be in use in the very near future.

9. *Mr. Foulds*—Enquiry of the Ministry—Would each Ministry list the names of every MPP (including Cabinet Ministers) who has made a personal presentation of a government cheque on behalf of the Ministry in 1974 and until March 15th, 1975. Would the Ministry also list the name of the receiver of each cheque and the amount of each cheque so presented.
11. *Mr. Deacon*—Enquiry of the Ministry—How many persons were employed under contract or on a temporary basis as of December 31, 1974, 1973 and 1972. What were the total payments made to persons in these categories in the fiscal years ended March 31, 1974, 1973 and 1972.
12. *Mr. Foulds*—Enquiry of the Ministry—Why was a free lance photographer and writer denied permission to take photographs of Old Fort William on March 19th, 1975.
13. *Mr. Riddell*—Enquiry of the Ministry—Which specific suggestions from the submissions to the Green Paper on Environmental Impact Assessment are contained in The Environmental Assessment Act, 1975. In what section(s) is each reflected. How many submissions suggested that it be made mandatory that notice of an undertaking be given to persons living in the areas and any other interested and affected individuals.
14. *Mr. Duksza*—Enquiry of the Ministry—How many antabuse implantation programs, as treatment for alcoholism, are now in progress in psychiatric hospitals under the jurisdiction of the government, and have there been any reports of the ill effects of this type of treatment procedure. Are there any reports available on the success rate of this procedure. What is the policy of the Ministry of Health in respect of this "more biological" type of treatment of alcoholism.
15. *Mr. Cassidy*—Enquiry of the Ministry—Did the Attorney General advise the City of Ottawa, when asked whether it could prepare ballots in French and English for last December's municipal elections, that there was no provision within the regulations for this, that it would therefore be advisable to leave ballots and instructions in English only and that "in order to minimize any possible objections to the form of the ballot labels, they should be in English only". Is the Ministry now willing to accept the recommendation of the Association of Municipalities of Ontario to allow for bilingual ballot labels.
16. *Mr. Cassidy*—Enquiry of the Ministry—What was the salary paid to Mr. John Damien. What were his duties with the Ontario Racing Commission, and what was his record of employment over the period he worked as a racing steward. What were the reasons for the dismissal of Mr. Damien. If not, can the Minister of Transportation and Communications explain why he wrote the following in a letter to the City of Ottawa: "All forms were designed

in their present form for the purpose of this five year program . . . The matter of producing all related forms in both languages after the existing five year period will be given every consideration”.

21. *Mr. Cassidy*—Enquiry of the Ministry—What programmes of the government are directed specifically to curbing or stopping smoking and how much was spent on them in 1973 and in 1974. 3. *Mr. Roy*—Enquiry of the Ministry—Could a list be provided of all land purchased by the Ontario Housing Corporation since 1968. When was the land purchased. Who was the vendor. What was the purchase price paid.
4. *Mr. Roy*—Enquiry of the Ministry—What are the Ontario Government's total expenditures for the production of Government publications, reviews, annual reports, etc. What percentage of these publications are printed by the Queen's Printer or the Government printing services and what percentage by independent printers. 7. *Mr. Cassidy*—Enquiry of the Ministry—When does the Ministry of Transportation and Communication intend to introduce bilingual motor vehicle permits and when does it intend to make form JL-20, the application form for motor vehicle permits, bilingual. 9. *Mr. Foulds*—Enquiry of the Ministry—Would each Ministry list the names of every MPP (including Cabinet Ministers) who has made a personal presentation of a government cheque on behalf of the Ministry in 1974 and until March 15th, 1975. 14. *Mr. Dukszta*—Enquiry of the Ministry—How many antabuse implantation programs, as treatment for alcoholism, are now in progress in psychiatric hospitals under the jurisdiction of the government, and have there been any reports of the ill effects of this type of treatment procedure. 15. *Mr. Cassidy*—Enquiry of the Ministry—Did the Attorney General advise the City of Ottawa, when asked whether it could prepare ballots in French and English for last December's municipal elections, that there was no provision within the regulations for this, that it would therefore be advisable to leave ballots and instructions in English only and that "in order to minimize any possible objections to the form of the ballot labels, they should be in English only". 3. *Mr. Roy*—Enquiry of the Ministry—Could a list be provided of all land purchased by the Ontario Housing Corporation since 1968. When was the land purchased. Who was the vendor. What was the purchase price paid.
4. *Mr. Roy*—Enquiry of the Ministry—What are the Ontario Government's total expenditures for the production of Government publications, reviews, annual reports, etc. What percentage of these publications are printed by the Queen's Printer or the Government printing services and what percentage by independent printers. What are the names of these independent printers and the amounts paid to each for the years 1973 and 1974.
7. *Mr. Cassidy*—Enquiry of the Ministry—When does the Ministry of Transportation and Communication intend to introduce bilingual motor vehicle permits and when does it intend to make form JL-20, the application form for motor vehicle permits, bilingual. 15. *Mr. Cassidy*—Enquiry of the Ministry—Did the Attorney General advise the City of Ottawa, when asked whether it could prepare ballots in French and English for last December's municipal elections, that there was no provision within the regulations for this, that it would therefore be advisable to leave ballots and instructions in English only and that "in order to minimize any possible objections to the form of the ballot labels, they should be in English only".
